ACTIVITIES

Trail Blazers and G.I.R.L.s Free Time Fun

- Blazer Bingo - visit various places around camp to find info about females who've blazed the trail before us and who encourage us to be G.I.R.L.s – Go-Getters, Innovators, Risk Takers and Leaders.
- Creation Station - Daisies and Brownies make finger puppets; Daisies, Brownies and Juniors make compass bracelets; and Cadettes, Seniors and Ambassadors make paracord compass keychains.
- Play Away - try the gaga pit, play carpet ball or yard games, go on a nature hike, learn and sing songs, work on badge requirements, or just chill out around camp.

In addition, each troop will be scheduled for 2 or 3 of the following activities. Please indicate the troop's preference of activities they would like to do by ranking from 1-10, as appropriate for your program level.
