**Bake something with sugar and spice** – decorated cakes/cupcakes, bars and cookies (in dozen quantities), fruit crisp or crumble, pies (fruit only, no cream or custard), breads, etc. Homemade is best so get out your old family recipes and bake something beautiful and delicious! *For the safety of those with food allergies, please include a recipe card containing a basic ingredient list (e.g. packaged cake/cookie mix, chocolate, tree nuts, milk, wheat, etc.).*

**Gift baskets are also nice** – if you're not the baking kind, put together a gift basket with bakeware and recipe ideas. Let your creativity flow.

Serving trays and baskets will not be returned.

A professional female auctioneer conducts the open auction bidding. Each family will be given a bidding paddle and the bidding will end when the last item is sold about 8:30 pm. In the past, items have sold in the range of \$10 to \$50. Cash, check or credit cards will be accepted as payment.

All proceeds go to the Girl Scouts of Minnesota and Wisconsin River Valleys Family Partnership Annual Giving Campaign to provide programs, facilities, volunteer training, and financial assistance for girls and adults in Girl Scouts.
