Girl Scouts will be helping to create some of the items included in a "Bundle of Love" - a handmade diaper bag that includes what is believed to be basics for any newborn baby, all made with a lot of love and care by volunteers. We will be completing matching sets, stuffing toys, tracing/cutting patterns, possibly sewing for older Girl Scouts, helping with year-end inventory, putting diaper packets together, coloring squares to make a quilt and getting wash cloths ready for sewing.

(If you are doing a "math" badge and need a community service project, this would be an awesome event for you as one of the projects we will be doing is to help them with their year end inventory. Lots of counting and weighing needed.)

Bundles of Love is a volunteer-driven nonprofit organization that partners with community service agencies to assist Minnesota families in need by providing handmade baby clothing, bedding and basic care items for newborns. Their vision is to gather communities to support a parent and newborn. They offer peace of mind for families and provide important, essential and practical supplies to show that someone cares. Visit www.bundlesoflove.org for more information.

Donations desired: bottles, pacifiers, towels, newborn socks, changing pads, baby soap, shampoo, lotion (small containers), baby wipes, newborn diapers, other baby care products.
