

TRAIL BLAZERS

EAGAN SERVICE UNIT FALL ENCAMPMENT SEPTEMBER 22-24, 2017 CAMP ELK RIVER

WE ARE G.I.R.L.s

This encampment is all about females who have blazed the trail before us, encouraging us to be G.I.R.L.s – Go-Getters, Innovators, Risk Takers and Leaders.

Activities, including archery, horses, low ropes course, waterfront and various badges, are being planned but we need to get headed on the right trail by knowing how many to expect for the weekend.
