

Swinging Safari

Join us for a fun filled week on a Safari. We will travel across Africa learning about distant lands, foreign customs and exotic cultures. On our journey we will travel "off the beaten path". We will swing with the baboons through the jungle, ride camels across the desert, listen to hyenas on the savannah and watch mountain gorillas play.

In addition, we will have events planned with the craft specialist, camp naturalist, and enthusiastic volunteers.

Grab your passport and back pack – an exciting expedition is just around the corner!

ADDITIONAL INFO

ABOUT THE OVERNIGHT: On Thursday evening, campers will spend the night and enjoy dinner and Friday morning breakfast with their fellow campers. We strongly encourage all campers, including Daisies, to participate in this experience. In addition to providing an enjoyable time for campers, our goal is to provide an opportunity for the girls to gain independence and we've found that the overnight experience helps accomplish this goal.

ABOUT THE CAMP LEADERSHIP: The camp director has a 25+ year history of successful girl scout day camps at Camp Sacajawea. This experience, along with a team of leaders that has worked together in the past creates a cohesive team that has the enthusiasm and experience necessary to create a fun-filled learning experience for your scout.

FOR MORE INFORMATION: If you have any questions, please contact the Camp Director, Cathy McCoy at 651-423-3294 or via e-mail at cmccoy@proactinc.org
