

# Northern Lights Jamboree!

Join us for a fun filled week crossing Canada and the Northern Territories beyond. On our way, we will hear wolves howl at the moon, see giant whales in the Arctic Ocean, play with baby harp seals on the ice, ride on dog sleds over the frozen tundra, and paddle kayaks along distant rivers. We will learn about the Eskimo culture, sleep in igloos, build totem poles, dance under the Northern Lights, and eat whale blubber. The Northern star will be our guide. Pack your warm clothes and put on your snowshoes - our adventure is just around the corner!

July 24-28, 2017

**FOR MORE INFORMATION:** If you have any questions, please contact the Volunteer Camp Director, Cathy McCoy at 651-423-3294 or via e-mail at [catherinemccoy@yahoo.com](mailto:catherinemccoy@yahoo.com).

## ADDITIONAL INFO

**ABOUT THE OVERNIGHT:** On Thursday evening, campers will spend the night and enjoy dinner and Friday morning breakfast with their fellow campers. We strongly encourage all campers, including Daisies, to participate in this experience. In addition to providing an enjoyable time for campers, our goal is to provide an opportunity for the girls to gain independence and we've found that the overnight experience helps accomplish this goal.

**ABOUT THE CAMP LEADERSHIP:** The volunteer camp director has a 30+ year history of successful girl scout day camps at Camp Sacajawea. This experience, along with a team of leaders that has worked together in the past creates a cohesive team that has the enthusiasm and experience necessary to create a fun-filled learning experience for your scout.
